PRESS RELEASE

POWER OUTAGE OF MAY 4 2017

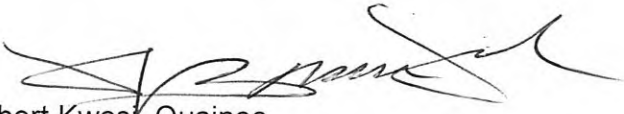

Tema, May 4, 2017 - Ghana Grid Company Limited (GRIDCo) announces for the information of the general public that the power outages experienced across the country from last night, was as a result of a surge that shutdown generators in the power system.

Technical teams in the value-chain have been working to restore the power system into service.

Restoration is still ongoing and is expected that power supply will be fully restored by 10:00 a.m. this morning.

GRIDCo appreciates the inconvenience consumers experienced and will keep the public updated on any developments on the supply situation.

Details of the cause of the outage will be communicated to the media on completion of preliminary investigations.
